

Dear NBCA Families,

As you know, last week we made a schedule to distribute food by bus to over 15 stops around the Grand Rapids area where our families live to make it easier for families to get needed food for their children. We had very low to no participation at the stops (most stops did not have any parents that showed up). We are going to try something different with the hope that it will meet the needs of our families, and reduce bus and food costs. We have plenty of food to provide to you, we just need to know if you need it!

1. Free food is available at the school Monday-Friday, 8:00am-3:00pm. You do not have to place an order, just show up at the main entrance, let us know how many children ages 0-18 (don't have to be NBCA students), and we will give you food for multiple days.

2. We are going to discontinue the stops as of today, BUT...if you and your family do not have transportation and still need food, please call the office (616)243-6621 and we will make arrangements to deliver food to your house one day per week on Tuesdays. If you are not able to call between 8:00-3:00, you may leave a message after hours or email GinyAho@choiceschools.com. All we need to know is your name, address, phone number, and how many children ages 0-18 you will need food for. We will give you breakfast and lunch for 5 days. One of our bus drivers will contact you to confirm the date and approximate time of arrival.

If you have any questions please contact us at the office at (616)243-6221.

~Ms. Larkin
