

NEW BRANCHES CHARTER ACADEMY TRAFFIC FLOW MAP

Parking

All parents must park in the parking lot in front of the school.
Do not park in traffic lanes, bus lanes, or NO PARKING spots at any time.

Parking Lot Rules

The 15 minute period before and after school is busy in every school parking lot. The parking lot will clear out in 20 minutes or less if all parents follow rules and procedures. Please be patient, drive slow, and watch for pedestrians at all times.

Traffic Flow Procedure:

Circle to the right around the parking lot and in front of the school to drop off and pick up students (follow the arrows). Do not turn in the middle of the street as this is unsafe and blocks traffic. Do not park and leave your vehicle in the traffic lanes. Follow the directions of the Crossing Guards at all times.

There are NO LEFT TURNS onto 36th during arrival and dismissal times because of the crosswalk. Please turn right only during these times, and do not go straight across 36th as it is unsafe.

Do not park or block our neighbors driveways at any time. Do not park under the overhang at the church or in their driveway.

**No left turns onto Poinsettia
Right turn only
7:30-8:30am
2:30-3:30pm**
