

STUDENT WALKER PERMISSION FORM

Dear Parent or Guardian,

We understand that many of our students walk to and from school. In the best interest of our children's safety, a crossing guard is stationed at the 36th Street and Poinsettia Avenue intersection. New Branches Charter Academy allows student to walk home after school with written permission from parents or legal guardians. Students in grades Transitional Kindergarten- fifth grades **WILL NOT BE** allowed to walk home without an approved older sibling or adult.

The procedure for this process is:

1. Parent or legal guardian consent (by signing this form, permission is granted)
2. Each day, students are dismissed to walk home at 3:10 p.m.
3. Walking students with younger siblings will be permitted to pick their siblings up from their homerooms at dismissal time.
4. Once students are off campus, they are expected to walk home. If any emergency arises, students will be allowed to walk back to New Branches for support before 6:00 p.m. and enter through the Childcare door (North Entrance) and a parent will be called.

Please review these important safety guidelines with your kids:

*Walk, don't run. Look for cars turning. Cross with the crossing guard. Don't go back and forth.
Cross with your sibling. Hold hands of little ones. Be aware, look around. It's a very busy traffic area.*
